National Center for
Education Statistics
Institute of Education Sciences
U.S. Department of Education

This is to verify that _____,

(Name of Student)

has completed 1½ hours of volunteer service by participating in the National Assessment of Educational Progress (NAEP). NAEP is the only national report of what students in the United States know and can do in the subjects taught in school. Since each sampled student represents many others throughout the state and country, each student's participation is critical to NAEP's success.

A handwritten signature in black ink, which appears to read 'Suzanne Fuglestad', written over a horizontal line.
